2. Reviewed the preparations of the institute with regard to the accreditation as per new format. It was informed to the Governing Council that Institute has applied for accreditation as per the new format for 05 B.E. Programmes

   a. B.E. in Civil Engineering
   b. B.E. in Computer Science & Engineering
   c. B.E. in Electrical & Electronics Engineering
   d. B.E. in Electronics & Communication Engineering
   e. B.E. in Mechanical Engineering

3. Principal informed the Members that on account of revision in University norms, the autonomous application is still pending with the University. It was opined that institute should prepare itself as per the required norms and resubmit the application for autonomous status.

4. GC opined that the institute should have the facilities and resources for enhancing the research under various Engineering disciplines. It was also suggested that the existing incubation centre be reactivated in order to nurture innovation.

It was opined that the teachers especially Professor/ Asso. Professors with Doctoral Degree should try to get grants from various research agencies. He also informed that there are many organizations/agencies who could extend the financial support through grants for innovative projects. The institute should insist on these teachers to apply and get the grants.

The Meeting ended with the Thanks to the Chairman and the Members of the Governing Council.
