

Karnatak Law Society's
GOGTE INSTITUTE OF TECHNOLOGY
Belagavi, Karnataka, India

Autonomous Institute under VTU

Estd. : 1979

www.git.edu

- KLS Gogte Institute of Technology [KLS GIT] is the flagship Institute of Karnatak Law Society, Belagavi established in the year 1979, **A Premier Institute in this part of Karnataka**
- Excellent infrastructure spread over 23 acres of mango meadows comprising of excellent facilities like :
 - Flexible Manufacturing System (FMS), 3-D Printing, CAD/CAM
 - AI & ML, Python, Data Science & Cyber Security
 - Structural & Transportation Engineering
 - Digital Signal Processing, Network Analysis, VLSI
 - High Voltage Engineering, Power Systems
 - Aerodynamics, Aircraft propulsion and Advanced Flight Simulation
 - Nano Science

Programmes offered

- B.E. in Civil | Mech. | E & E | E & C | CS & E IS & E | Aeronautical
- Bachelor of Architecture (B.Arch.)
- B.Sc. (Hon.) [affiliated to VTU]
- M.Tech. in Structural Engg. | Machine Design Digital Communication Networking | CSE | MBA | MCA
- Research Programmes in Engineering, Management and Applied Science

Unique Features

- State of the art infrastructure
- Healthy Industry Institute Partnership ecosystem
- Professional Certification course in Business English and domain specific topics through NPTEL, Swayam, reputed MOOCS
- Holistic development via multiple student chapters and club activities
- Individual Student Mentoring
- Internship opportunity for UG & PG courses
- International Academic Collaborations
- Minors Program for inter-disciplinary knowledge & skills

Approvals & Recognitions

- UGC 2(f) and 12(B)
- Autonomous under VTU, Belagavi
- NAAC A+ in 1st and 2nd Cycle
- NBA Accreditation 4 times in succession
- Council of Architecture (COA)
- Figured in NIRF Rankings since 2017
- Entrepreneurship and Incubation Cell with start-ups on campus
- Curriculum revision as per Industry needs and updated with latest technology in tune with NEP 2020
- Board of Studies with Industry members and members from prestigious institutions
- Signed more than 60 MoU with Industry and Academia
- Strong Alumni base of 15,000+ Graduates with many International Chapters and many successful names across the Globe
- More than 90% Placements to the eligible candidates in the reputed Core and IT companies

Structural Engineering

3-D Printing

High Voltage Engineering

Advanced Flight Simulation Lab

AI and ML Lab

Library & Information Centre

Kindle Zone

Foreign Collaborations

- Shibaura Institute of Technology (SIT), Japan
- Stanford University, USA
- Universiti Tun Hussein Onn Malaysia (UTHM), Malaysia
- Japan International Cooperation Agency (JICA)

Research @ KLS GIT

- Innovative Centres of Excellence in niche technologies
- Well established IRP and Patent Cell
- Encouragement and benefits to the faculty for research and consultancy activities
- Received more than Rs. 2 Crores grants from funding agencies like AICTE, SERB, VGST, VTU, KCTU. Also fellowship from Foreign Collaborations

Culturals @ KLS GIT
