- Reinforcing our bonds with the Parents, Industry, Alumni, and to seek their suggestions for innovating and excelling in every sphere of quality education.

## 1. About the Institute

KLS Gogte Institute of Technology, the flagship Institute of Karnatak Law Society, Belagavi was incepted in 1979, named after eminent industrialist and Philanthropist Late Mr. Rao Saheb Gogte.

Spread across a sprawling mango meadow of over 25 Acres, GIT, houses 08 under graduate, 09 post graduate disciplines including MBA and MCA programs and 10 Research Centers approved by VTU. GIT has the honour of sheltering over 4500 students and more than 300 highly qualified and motivated work force.

KLS GIT is included under the section 2(f) and 12(b) of UGC act 1956 and is approved by All India Council for Technical Education (AICTE), New Delhi. KLS GIT is a permanent affiliate and an Autonomous Institution under Visvesvaraya Technological University (VTU), Belagavi. Institute is also carries the distinction of getting five B.E programs and two M.Tech. NBA Accreditation. Institute is accredited by National Assessment and Accreditation Council (NAAC), an Autonomous Institution of UGC, with A+ GRADE.

Excellent infrastructure in areas like Flexible Manufacturing System with CNC Machines and ROBOTICS, CAD/CAM, Aerodynamics, Digital Signal Processing, High Voltage Engineering, VLSI etc. catered by a full-fledged 10/100 Mbps internet with OFC backbone and 150 Mbps Internet Connectivity. 1300+ Computers in the Campus make GIT as one of the best destinations for Technology. Extensive use of Audio-Visual tools in teaching-learning coupled with course studies, case based learning and live projects. Twenty two classrooms have the “Live Lecture Capture” facilities.

Outcome Based Education (OBE) is being practiced since 2012- An essential ingredient for quality education and accreditation.

Research and innovation has been key strength of GIT. A band of research scholars pursue for Ph.D. and M.Sc. (Engineering) by Research through approved research centers in all the streams including Management studies.

Strong Entrepreneurship and Incubation cell functioning on the Campus with six startups. More than 30 projects received grants under NAIN, Government of Karnataka.

Institute has an active Industry Partnership Cell on the Campus with industry partners such as CII, IBM, Microsoft, Tatas, Energy Systems, KPIT, Texas, Quest, PEOL, Shree Renuka Sugars, MTAB, Indian Machine Tool, Capricot, Polyhydron, Foundry Cluster etc.

Institute has established Center of Excellence in Microwave studies in association with Enerzi, Center of Excellence in Additive Manufacturing and Reverse Engineering in association with Karnataka Technological Upgradation Council, Centre of Excellence in Nano Science & Nano Technology and Visionary Learning Community of India (VLCD).

The institute has a very strong Industry-Institute Partnership Cell. Few of the Academic and Industry/Institute MoUs signed are Shibaura Institute of Technology, Japan, University of Strathclyde Glasgow, NewPaltz, Wolkite University Ethiopia, Cambridge University, Stanford University, IEEE, CSI, SAEINDIA, ISTE, Google, LEAD, Quest, IBM, Energy, CII, HESCOM, CLIK, ARAI, Polyhydron, Texas Instruments, TATA's etc.

Institute offers many professional certification courses for all the students including Cambridge Business English, Microsoft, IBM, CISCO, German, French etc. Also offers special Certification Programmes on Network Applications and other technical topics like CNC, FEM etc.

The Institute's library is another attraction with 24000+ titles and about one lac volumes, 8000+ Journals (including E-Journals) and 16000+ E-books.

The college has active student cell such as LEAD, Rotaract, NSS etc to support issues of social concern.

KLS GIT recognizes the importance of sports and has well equipped multi-gym, indoor and outdoor sports complex. Our students have been doing exceedingly well in the University and state level competitions.

KLS GIT has strong Alumni base of 15000+ students with many international chapters and many successful names across the globe.

About 85% Placement offers for the eligible candidates every year. Some leading companies that recruit our students include Amazon, Mercedes, Bosch, Quest Global, PWC, Tech Mahindra, IBM, Microsoft, Persistent etc.

## 2. Academic and Administrative Audit (AAA)

The main objective of the audit is to review, assess, and evaluate the performance in domains of teaching-learning process, research, extra-curricular and administrative aspects pertaining to departments of the institution.

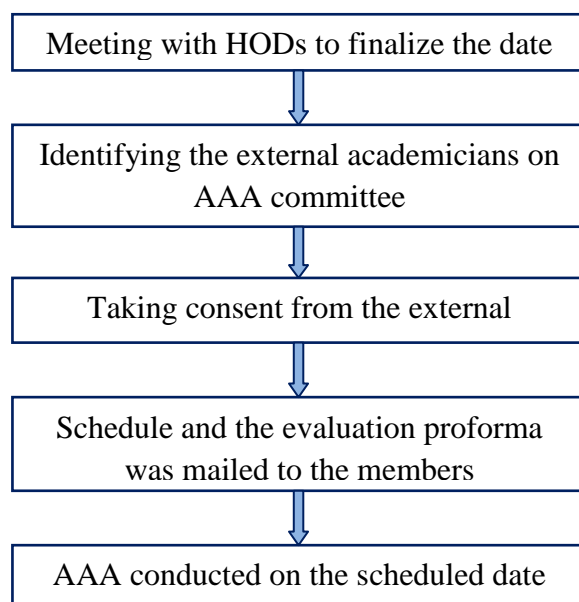

The review process is usually carried out by internal committee members and the external academicians. As a part of the audit process, the IQAC has structured a proforma for the evaluation based on the Criteria specified by NAAC. The criteria-wise evaluation of the department includes:

- i. Course content
- ii. Teaching - Learning Process
- iii. Examination and Evaluation system
- iv. Results
- v. Other activities
- vi. Infrastructure
- vii. Department Administration

The list of documents and proforma for the department level evaluation is given as Appendix-A. The list of documents and facilities for verification and the proforma for the institute level is given as Appendix-B.

The meeting of AAA committee was fixed on 18.09.2020. The AAA committee was assisted by the IQAC members for conducting the audit. The Committee had a formal meeting with the Principal, Deans, Head of Departments and the coordinators during which Principal presented the overview of the institute, developments and the achievements made. Members of the Committee were briefed about the objective of the audit and the procedure involved.

The members visited the departments, the infrastructural facilities in the department such as classrooms, laboratories and interacted with the teaching staff and the technical staff to know the academic and administrative performance. All the related documents were presented to the members. After completing all stages of inspection and interactions in the department, AAA Report covering the observations was prepared for the respective departments by the member. Individual department evaluation sheets are enclosed with this report.

Also, the members visited the central facilities such as Examination section, Computer center, placement cell, library and auditorium, and had interactions with the coordinators. Other general facilities were also verified.

The Committee after completing all stages of inspection and interactions prepared the AAA report for the college covering the summarized observations and recommendations.
