FROM THE PRINCIPAL'S DESK

Dear Sir/Madam,

With great pleasure, I take this privilege to release the **Volume-V, Issue-2** of our KLS Gogte Institute of Technology's bi-monthly e-magazine '**eSpectra**'. To share the overview: the month of March – April 2024 were extremely noteworthy and joyous one. **KLS GIT ranks 43rd and 49th position in Dataquest's Top T Schools 2024**. We witnessed the success of KLS GIT's signature event '**Aura'24**' with the theme '**Desi Symphony**' from 13 March 2024 to 15 March 2024 with the spectacular live concert and virtuoso performance by **Ms Shreya Ghoshal**, the most prolific and popular singers of India. We also had with us **Padmashree awardee Dr M. Venkatesh Kumar** for the event '**Sura Samvaad**'.

I feel proud to say that our KLS GIT's whiz kids have performed exceptionally well in various technical/cultural events and won many many accolades. We had **45 placements** in the last two months and **five faculty members** from our institute who successfully completed their **PhD degree** from the Visvesvaraya Technological University during the 23rd Annual Convocation held on 07 March 2024. KLS GIT also witnessed the **reunion of 1979-1984 batch** who shared their stories, cherished memories and made new connections. The never ending contributions of faculty in organising and participation in events continues.

My sincere thanks and appreciation to the editorial team for their hard work and toil in presenting KLS GIT's holistic achievements very professionally in this bi-monthly magazine '**eSpectra**'. Happy reading!

Dr M. S. Patil

KLS Gogte Institute of Technology's PhD Awardees

Visvesvaraya Technological University (VTU) Belagavi awarded PhD degree during the 23rd Annual Convocation held on **07 March 2024**. The faculty from KLS GIT who received the PhD awards are:

Mr Harish H. Bendigeri for his thesis on titled '**A study and development of various sensors based on fiber optic technology**' under the guidance of **Dr Vijay K. Kulkarni**, Professor, Department of Physics, Angadi Institute of Technology, Belagavi.

Ms Ranjana Battur for her thesis titled '**A CBIR system for application dataset using AI-based image feature synthesis and matching concept**' under the guidance of **Dr Jagadeesh N.** Department of CSE, Canara Engineering College, Mangalore.

Mr Prashant Niranjana for his thesis titled '**Design and Development of Question Answering System for Agriculture Domain using Machine Learning Techniques**' under the guidance of **Dr Vijay Rajpurohit**, Professor, Department of CSE, KLS GIT Belagavi.

Ms Kavita D. Hanabaratti for her thesis titled '**Enhancing the Performance of Web Service Composition in Cloud Environment**' under the guidance of **Dr Rudragoud S. Patil**, Associate Professor, Department of CSE, KLS GIT Belagavi.

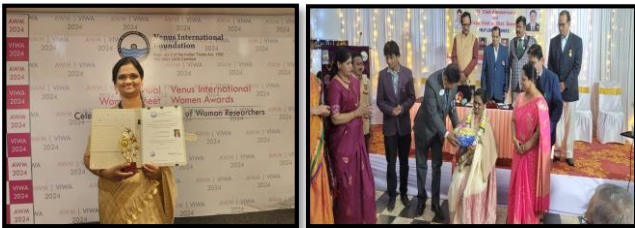

Ms Arundhati Nelli for her thesis titled, '**Framework for SLA-aware Scheduling Mechanism in Multi-Cloud Environment using Soft Computing Approach**', under the guidance of **Dr Rashmi Jogdand**.

Academic Excellence

Prof Purshottam P. Katti from the KLS GIT's Department of Aeronautical Engineering was awarded Doctoral of Philosophy for carrying out his research work on the topic '**Development of Metal-Nanoparticle Composite Coatings for Industrial Applications**' at Srinivas University, Mangalore.

Dr Manjula Ramannavar was awarded '**Outstanding Woman Researcher in Artificial Intelligence**' at the **9th Venus International Women Awards – VIWA** 2024 on the 02 March 2024 at Chennai, India. She presented a paper titled, '**Big Data Analysis using Semantic and Advanced Analytic Approaches**' Theme of the event was to Cultivate Research Spirit and Create a Vibrant Community of Women in Science and Technology.

Dr Manjula Ramannavar was Invited as guest and received felicitation for winning the award – '**Outstanding Woman Researcher**', at the hands of **PMJF Lion Erle Brito** - District Governor and other members of Lions International Club of Belgaum Mid-Town on 16 March 2024.

Dr Manjula Ramannavar was Invited as guest and was felicitated for winning award- '**Outstanding Woman Researcher**', on the occasion of International Women's Day by **Lingayat Sanghatane**, Belagavi, on 10 March 2024.

Dr Anusha Ekbote presented and received best paper presentation (second prize) award for the paper titled '**Ultrafast Nonlinear Optical Studies of (E)-1-(3-substituted phenyl)-3-(4-fluorophenyl) prop-2-en-1-one Chalcone Using Z Scan and Degenerate Four-Wave Mixing method for optical limiting and switching applications.**' in the International Conference on Recent Trends in Materials Science (ICRTMS 2024) sponsored by DST- SERB held at Kristu Jayanti College Bengaluru from 6 March 2024 - 7 March, 2024.

The audience were enchanted and the crowd went gaga with the melodious songs of Shreya and her band of musicians. She serenaded the amazing and vibrant audience with 25 performances. From classic hits to melodious ballads, Shreya Ghoshal took the spectators on a musical journey which they will cherish forever.

The KLS Management are extremely thankful to the entire KLS GIT staff and students who were involved in success of organising such a great event and marking **15 March 2024 - A Momentous Day** in the history of 'Aura'.

Talk on 'Woman Health'

KLS Gogte Institute of Technology's **Department of Electronics and Communication** in collaboration with the **Institution's Innovation Council (IIC)**, organised a talk on '**Women Health**' on 09 March 2024. The event featured **Dr Aparna Kulkarni**, a distinguished expert in Orthopedics, Sports, and Pilates Training from Belagavi.

The event offered invaluable insights aimed at promoting awareness, empowerment, and overall well-being in women's health.

Session on 'Advanced Concrete Formulation: Innovations in Durability Enhancement'

Collaborative Session on 'Advanced Concrete Formulation: Innovations in Durability Enhancement' was organised on 22 March 2024.

Dr S. B. Hegde, renowned professor from Sri Bhagawan Mahaveer Jain College of Engineering and Technology, Hubli, and a renowned Visiting Professor at The Pennsylvania State University, shared groundbreaking insights on enhancing concrete durability. From innovative compositions to sustainable practices, he covered it all. Let's join hands for global research opportunities and continuous innovation in the field.

Session on 'Synergizing Success: Engineering Faculty Journey through Teaching, Research, Patents and Wellness'

Collaborative Session on 'Synergizing Success: Engineering Faculty Journey through Teaching, Research, Patents and Wellness' was organised on 22 March 2024.

Dr S. B. Hegde, renowned professor from Sri Bhagawan Mahaveer Jain College of Engineering and Technology, Hubli, and a renowned Visiting Professor at The Pennsylvania State University, emphasized the crucial link between health and well-being for academic success. He added Learning valuable insights on prioritizing work, time management, fostering a positive mindset, and setting clear goals for success. Discovering effective strategies for teaching, managing research projects, and navigating the patent process.

'INNOVERSE 2024' – A National Level Hackathon

The Department of MCA, successfully hosted their very first **'National-Level Hackathon – "Innoverse-2024"** from 22 March 2024 to 23 March 2024, with 60 participants from BCA and MCA colleges across Karnataka. With the catchy tagline **'Imagine, Innovate, Integrate'** the event aimed to spark creativity, problem-solving, and collaboration among budding tech enthusiasts.

Innoverse 2024 showcased the true spirit of innovation and teamwork, setting a high standard for future hackathons at KLS Gogte Institute of Technology. By nurturing talent and building industry connections, this event has made a significant impact on advancing technology and enhancing problem-solving skills among aspiring technologists.

Inauguration of 'National Aptitude Test in Architecture (NATA) Centre'

The grand inauguration of the '**National Aptitude Test in Architecture (NATA) Centre**' at the Department of Architecture recognized by the **Council of Architecture (India) (COA)**, was held on 27 March 2024 by the esteemed **Dr Y. N. Doddamani**, Assistant Director (ACM), Department of Collegiate and Technical Education, Bengaluru..

The event was attended by principals and faculties from neighbouring PUC and Diploma colleges, fostering collaboration and academic exchange. Guests were treated to a captivating tour of the departmental exhibition, a testament to our Architecture students' creative prowess.

The establishment of the NATA test center at KLS GIT marks a significant leap forward in promoting architectural education and research in the region. We're dedicated to equipping aspiring architects with the skills and knowledge to excel in their field, contributing to the nation's architectural landscape. This initiative underscores KLS GIT's commitment to providing quality education and shaping the architects of the future

'Sura Samvaad' by Pandit Venkatesh Kumar

On 07 April 2024, the KLS GIT's Silver Jubilee Auditorium resonated with the soulful melodies of **Padmashree Dr M. Venkatesh Kumar's** mesmerizing vocal recital. Supported by Murkumbi Itihas Upakrama and Banyan Tree. The event was a testament to the enduring legacy of classical music.

Dr M. Venkatesh Kumar transported the audience on a musical journey, showcasing the rich tapestry of Hindustani classical music with renditions of '**Kaise Nind Na Aave**' and classical ragas like bheehar and many more. His performance also paid homage to the cultural heritage of Karnataka through captivating renditions of Karnataki music.

Accompanied by the talented artists **Shridhar Mandre** on the tabla, **Sarang Kulkarni** on the harmonium, and the melodious sitar play by **Ravi Chary** accompanied by **Shriraj Tamhankar**. The evening was a symphony of harmony and vibrancy. Each note echoed with passion, leaving an indelible mark on the hearts of all present.

It was truly a evening of musical bliss and cultural celebration, reminding the audience of the timeless beauty and significance of classical arts.

'Certificate Distribution Ceremony' on 'Courses in Emerging Technologies'

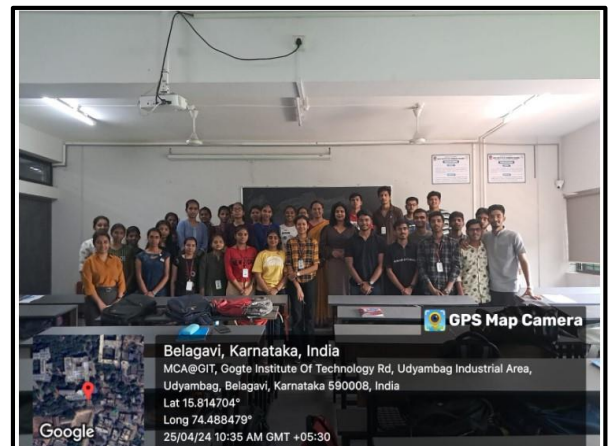

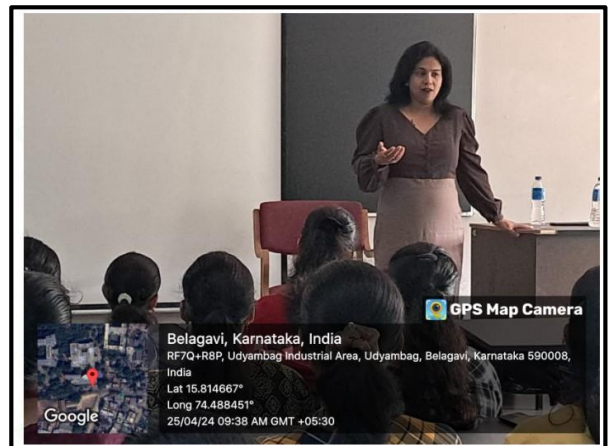

'The Certificate Distribution Ceremony' of the 'Courses in Emerging Technologies' was conducted on 8 April 2024 at KLS Gogte Institute of Technology. 15 courses on emerging technologies have been offered to the students of GIT. In the first phase 6 courses have been taken up by students in large numbers. More than 100 students have registered for the certification courses and have successfully completed it.

The certification courses offered are in the emerging areas of Additive manufacturing, Cyber security, Electric vehicles and mobility, Green buildings, Urban infrastructure planning and Nanotechnology.

The courses introduced the basics of the emerging technology, hands-on experience using the software, tools and equipment, thereby helping students to build their projects and applications. It was augmented with industry visits & expert lectures. The assessment consisted of quizzes, course projects and assignments with a 90% attendance criteria.

Dr M S Patil, Principal, KLSGIT presided over the function and distributed the certificates to the students. **Dr Arunkumar P**, Dean Academics Development presented the report on the Certificate courses in Emerging technologies offered at KLS GIT, Belagavi. The function was attended by **Deans, HoDs** and **Faculty members** of KLS GIT Belagavi.

World Creativity and Innovation Day

On 25 April 2024 , KLS Gogte Institute of Technology was honored to host a distinguished event organised by the **Institution Innovation Council** in commemoration of '**World Creativity and Innovation Day**'.

Mrs Chetana Sarang, Founder CEO of Dattamsh, Belagavi, graced the function with her expertise as an esteemed resource person.

The event was dedicated to illuminating the profound importance of creativity and innovation in shaping our world.

World Creativity and Innovation Day (WCID) serves as a global tribute to the pioneering spirit and visionary endeavours that drive progress and shape the future.

Team TechBytesPro Shine in Smart India Hackathon 2023 Finals

Ms Rachana Kulkarni and her teammates from TechBytesPro — **Ms Madhu Dixit, Ms Prerana Nadgir, Ms Sanika Karnik, Ms Snehal Astekar** and **Ms Varsha Kannu** successfully reached the finals of the '**Smart India Hackathon 2023**'. This prestigious event tasked them with gathering and analyzing datasets from chemical and petrochemical industries to produce comprehensive reports on industry standards, growth trends, and compliance.

The hackathon took place at the Oriental Institute of Science and Technology in Bhopal, Madhya Pradesh, and spanned 36 hours of intense competition. During this time, the team showcased their abilities in data analysis and problem-solving, performing various rounds of evaluations by industry mentors. Although TechBytesPro did not emerge victorious, the team gained significant experience and honed their skills through the event.

Additionally, Rachana and her teammates had the unique opportunity to interact with the honorable Prime Minister of the country during the event. This interaction enriched their overall experience and offered them insight into the broader context of their work.

Despite the final outcome, Rachana and her team remain highly motivated and determined to continue participating in hackathons and similar events. They aim to leverage their acquired knowledge and expertise to tackle real-world challenges, using their skills to make a positive impact in their future projects and beyond.

KLS GIT and Creintors Pvt Ltd Forge Dynamic Collaboration with 3i Ecosystem

The dawn of the new year marked a significant milestone as KLS GIT and Creintors joined hands to form panels for the 3i Ecosystem. This partnership aimed at transforming education and industry collaboration, promising innovation, growth, and learning opportunities.

In January 2024, the collaboration between KLS GIT and Creintors kicked off with an orientation session by Creintors for KLS GIT. This session laid the groundwork for enhanced collaboration, providing insights into the principles and objectives of the 3i Ecosystem.

Mr Neelesh Chougule, CMD of Creintors Group of Companies, showcased Creintors' journey,

inspiring participants with insights into their diverse projects and impactful work. Discussions revolved around collaborative work areas, addressing institute challenges at KLS GIT and aligning with industry needs. Faculty members from KLS GIT visited Creintors' premises, gaining first-hand experience of ongoing projects and engaging with staff across departments. This experience enriched their understanding of real-world applications, enhancing collaboration between the institutions.

9 March 2024, marked the inauguration of a dedicated office/lab/knowledge hub for the 3i Ecosystem at Creintors' premises. This space symbolized the commitment to bridging academia and industry, with discussions on student internships and collaborative projects..

KLS GIT and Creintors Pvt Ltd Forge Dynamic Collaboration with 3i Ecosystem

Mr Sheldon D'Lima highlighted the potential of the 3i Ecosystem, encouraging active participation in collaborative projects. **Mrs Disha Chougule** emphasized personalized guidance and support for students, ensuring their success.

Teams from KLS GIT and Creintors developed a comprehensive schedule for structured sessions within the 3i Ecosystem, fostering collaboration and innovation. Faculty engagement was prioritized to create a symbiotic learning environment.

Student teams were empowered to lead collaborative projects, injecting youthful energy and enthusiasm. The selection process was rigorous, focusing on skills, interests, and potential contributions.

The 3i Ecosystem commenced classes on 5 April 2024, offering a dynamic learning environment focused on practicality, innovation, and industry relevance. Internship sessions conducted by **Mr Neelesh Chougule** emphasized practical skills development in various areas such as automation, smart systems, and water treatment.

April's internship sessions focused on problem-solving, enabling students to develop abstracts and methodologies for their projects. These sessions enhanced students' problem-solving skills and prepared them for industry demands. In conclusion, the collaboration between KLS GIT and Creintors within the 3i Ecosystem represents a significant step towards redefining education and industry collaboration. Through strategic partnerships, immersive learning experiences, and hands-on internships, the 3i Ecosystem empowers students to become future-ready professionals, driving innovation, growth, and success for all stakeholders.

श्रेया घोषाल यांच्या गाण्यांवर तरुणाई थिरकली

प्रत्येक गाण्याला उत्स्फूर्त दाद : जीआयटी कॉलेज 'ऑरा २०२४' कार्यक्रमाची सांगता

प्रतिनिधी

बेळगाव

प्रचंड संख्येने उपस्थित असलेल्या विद्यार्थ्यांच्या समूहासमोर आघाडीच्या गायिका श्रेया घोषाल यांनी आपल्या गाण्यांनी त्यांना थिरकायला लावले. विद्यार्थ्यांनीही त्यांच्या प्रत्येक गाण्याला उत्स्फूर्त दाद देत जल्लोष करत त्यांचा उत्साह वाढविला. कर्नाटक लॉ सोसायटीच्या जीआयटी कॉलेजतर्फे सालावाद्यप्रमाणे 'ऑरा-२०२४' चे आयोजन १२ ते १५ मार्च दरम्यान करण्यात आले होते. त्याची सांगता शुक्रवारी श्रेया घोषाल यांच्या गायनाने झाली.

श्रेया यांच्या गाण्याची आवड असणारी तरुणाई सायंकाळी ५ वाजण्यापासूनच कॉलेजकडे येऊ लागली. कडक सुरवात व्यवस्थेने प्रत्येकाचे ओळखपत्र आणि पास तपासूनच आत पाठविले. तरी आत

बेळगाव : गीत सादर करताना श्रेया घोषाल.

जेवढी गर्दी होती, तेवढीच गर्दी बाहेरही तरुणाईने केली होती.

श्रेया यांनी 'नजर जो तेरी लागली, तुम क्या मिले, सिलसिला ये चाहत क्या, मोरे पिया, डोलारे डोला, डोल बाजे डोल, रघुवर तेरी राह, रापता रापता, रबने बना दी जोडी, पनघट पे मोरे सया, कुछ तो है तुजसे,

बदमाश दिल' अशी एकापेसा एक सरस गीते बहारदारपणे सादर केली. त्यांनी त्यांच्या 'पिंगा ग पोरि पिंगा व अपरा आली' या गीताला तर तरुणाईने टाळ्यांच्या गजरात प्रतिसाद दिला. त्यांनी 'अरवूतीदे जीवद गेळ्या, हुडीन बाडदंते' या गीतांसह काही कानडी गीतेही सादर

केली.

त्यांच्यासमवेत किंजल वेंटर्जी यांनी गायक के. के. याना आदरांजली व्यक्त करण्यासाठी एक गीत सादर केले. शिवाय ए. आर. रेहमान यांचेही गीत सादर केले. यानंतर पुन्हा रंगमंचावर येऊन श्रेया यांनी काही गीते सादर करून 'आम्ही जे तोमार' या गीताने सांगता केली.

श्रेया घोषाल यांच्या वादकांच्या समूहामध्ये बेळगावच्या डेव्हिड या गिटार वादक तरुणांचा सहभाग आहे किंजल यांनी त्याची विशेष ओळख करून दिली.

श्रेया यांचा सत्कार

मध्यंतरामध्ये कॉलेजच्या कार्यकारी मंडळातर्फे श्रेया यांचा सत्कार करण्यात आला. यावेळी आयोजकांनी विचारलेल्या प्रश्नाला उत्तर देताना 'तुम्ही बोलावले तर मी बेळगावला यायला नेहमीच तयार असेन', अशी त्याही श्रेया यांनी दिली.

Belagavi girl honoured with engg doctorate in Netherlands

EXPRESS NEWS SERVICE @Belagavi

SNEHAL Hannurkar of Belagavi has received the degree of Engineering Doctorate (Eng, D) from Smart Building and Cities, Department of Built Environment, TU/e Eindhoven University of Technology in the Netherlands, for successfully designing and implementing the project Biobased Pavilion, recently.

Through this project Snehal has extensively researched bio-based materials and developed innovative design and construction techniques which pave the way to the scaling up of habitable enclosed structures using bio-based materials. Her mentors Faas Moonen and Tom Veeger, the BRIC partners and colleagues from TU/e Eindhoven have been supportive and helpful in making this project a success. The project was built and exhibited at the Dutch Design Week 2023 on Ketelhuisplein, Strijp 5, Eindhoven as a part of the exhibition TU/e Drivers of Change. Approximately 3,50,000 visitors viewed the pavilion including the visit of Queen Maxima of the Netherlands.

Snehal did her schooling from St Mary's High School, Belagavi and Pre-University Course from Govindram Seksaria Science College, Belagavi. She completed her Bachelors of Architecture from Gogte Institute of Technology, Belagavi and pursued her first post graduation in UN Urbanism from Bauhaus Dessau Foundation, Dessau Germany in 2005.

During her practice in India, Snehal developed a keen interest to explore different ways of constructing with bio-based materials. She participated in learning the techniques of building with Bamboo at the Green Village Ball in the year 2015. This inspired her to travel to Europe for her second Masters in Architecture Building and planning to learn new sustainable ways of construction. She did extensive research on the traditional windmills in the Netherlands and developed a new contemporary design of a rescue pod designed for sinking cities in the Netherlands which functions using wind energy.

Snehal is the daughter of late advocate Kisanrao Hannurkar, and writer and retired headmistress Surekha Murkute Hannurkar, and sister of Dr Kapil Hannurkar.
